Hi David,

I've just discovered, by chance, that idlcoyote.com will expire tomorrow:  
<https://who.is/whois/idlcoyote.com/>

Do you have any plans with it?

regards,  
Lajos

It has been renewed. I have a lot of plans for it, but I find myself  
incapable of taking action on any of them. It sucks to retire. :-(

Cheers,

David

P.S. Let's just say I might be a \*wee\* bit late to to think about  
becoming a filmmaker. Storytelling is about the only thing I care to  
spend my time doing right now. The rest is pushed under the rug to be  
dealt with later. :-)
