: Hi,

: it is strange that IDL4.0 can not read TIFF image, it is even
: strange that I can not get answer from RSI untill now. Who can
: read it or who has idea?

: X.Xu

PS: the files can be read with other software, e.g. photoshop or xv
I tried to attach it here, but it is too big for the news reader.
I'll reduce it and send out again.
