THIS is Your Problem!!!

~~~~~

The average American family spends approximately \$400 per month on food and other grocery store items. That monthly expense is increasing constantly, and EVERYONE is always looking for ways to cut those costs.

Now the way that most consumers are saving money at the grocery store is by using "cash off" coupons. In fact recent national surveys report that 90% of ALL American households use grocery coupons weekly!

But .... until now the problem has been that "coupons clipping" is a hit-or-miss proposition at best. It generally means a time consuming, tedious job of sorting through perhaps dozens of flyers, circulars, and magazines, and cutting out only those few coupons that fit your needs.

National statistics actually tells us that although the typical Sunday paper contains 100 or more "cash off" coupons, the average person manages to clip only 3 to 6 coupons for products they really want and use.

And THIS is Our Solution !!!

~~~~~

"Why can't someone invent some kind of a 'system' so a consumer could ORDER JUST THE COUPONS THEY REALLY WANT AND USE!?"

Well, now someone has!!!

You begin by subscribing to our unique "Coupons-By-Choice" service. For a subscription fee of just \$20 per month you will receive one of our exclusive "Coupons-By-Choice" booklets. Your monthly Booklet contains certificates which may be redeemed for up to \$100 worth of cash off grocery store coupons that YOU CHOOSE from our list of HUNDRED OF NATIONAL, NAME-BRAND PRODUCTS!

HERE IS HOW IT WORKS....

~~~~~

Each "Coupons-By-Choice" Booklet contains 10 "coupon order forms." EACH order form can be redeemed for \$10 worth of PERSONALLY SELECTED cash-off coupons. You actually CHOOSE exactly what coupons you want from our master list which is printed in each Booklet. You then mail the completed order form and a small handling charge to our redemption center. In just a few weeks you will receive \$10 worth of

cash off coupons that YOU chose! PLUS ... you will receive additional coupons of your choice to reimburse you for your handling charge and your postage!

And remember that these are MANUFACTURERS' coupons for NATIONAL, NAME-BRAND PRODUCTS, and are valid at any store that CURRENTLY accept coupons!

So the real beauty of our system is that, as a subscriber to our "Coupons-By-Choice" service, you do not have to change your buying habits at all to receive substantial savings!!

- \* You do NOT have to shop at certain stores! You continue to shop where you ALWAYS do!
- \* You do NOT have to purchase "special" products from special "dealers!" You continue to buy the SAME products and brands

you do every day!

Where else can you receive a return of \$100 to \$200 ... on a monthly investment of only \$20 !!??

THINK ABOUT IT!....

READY TO START SAVING??
