Subject: Vectorized FFT for matrices? Posted by DALY on Mon, 06 Jan 1997 08:00:00 GMT

View Forum Message <> Reply to Message

Does anybody know how to vectorize the FFT?

I have a n x m matrix and would like to use FFT to take the FFT's of the columns (or rows) without a FOR loop. I do not want a 2-D fft.

Thanks Much, Chaz Daly cjd6905@rit.edu
