: Greetings Everyone,

: Just wondering if everyone knows of IDL routines that can read,
: manipulate and process Vector Product Format (VPF) files as defined in:

: MIL-STD-600006: US DoD Military Specification: Interface Standard for
: the Vector Product Format (VPF), or earlier.

: This format is used, among other things, in the Digital Chart of the
: World CD-ROMs.

I would be interested in this as well. i
