**Subject: IDL 5 Anomaly Database**
Posted by davidf on Wed, 04 Jun 1997 07:00:00 GMT

Hi Folks,

I have organized a place to report IDL 5.0 observations
and bugs on my web page. The direct URL to it is:

   http://www.dfanning.com/documents/anomaly5.html

I've populated it with some of the most recent reports
from this newsgroup and with a known resizeable widget
bug that I have run into.

Please send me your submissions.

Cheers,

David
