Subject: NOAA NEXRAD Data File Format Posted by davidf on Wed, 05 Aug 1998 07:00:00 GMT

View Forum Message <> Reply to Message

Hi Folks,

Does anyone have either code or experience in reading the NOAA NEXRAD (WSR-88D)radar data file format? I have level II data files, but eventually I will want to read both level II and level III product formats.

Assuming I am (eventually) successful reading this file format, is there any interest in an IDL reader to read this kind of data?

Cheers,

David
