Hi all -

The IDL FAQ has been updated and is available at a new address of http://www.ivsoftware.com/pub/idl_faq.html. The old address is still valid for the moment, but I encourage you to update any links. You can also obtain the FAQ via email auto-responder by sending email to faq@ivsoftware.com. Be sure to turn off any email spam spoofing you may be using. Also, Anonymous FTP access is available from ftp://ftp.ivsoftware.com/pub/idl_faq.html.

Changes from previous version:

- G02. Where can I contact them? (link change only)
- G03. How do I get IDL? (link change only)
- G04. What is the current version of IDL?
- G15. Where can I find online manuals and tutorials? (link change only)
- T30. Why are my widgets growing when labels are updated? (link change only)
- A02. Obtaining the latest IDL FAQ
(please note new address with /pub directory, old address still valid)

Additions in current version:

- G19. Can I get the IDL FAQ by anonymous FTP?
- T38. I'm confused by the meaning of column-major and row-major.

Regards,

Mike Schienle
