I started receiving a newsfeed about a month ago so I can make the archives available in a more flexible manner. Unfortunately, I haven't had the time to do much more than collect the news at the moment. Probably in a month or so, I'll have the newsgroup available for searching similar to the setup the FAQ is using at

<<http://www.ivsoftware.com:8000/FAQ/default.htm>>.

<http://www.dejanews.com/>

Do a "power search" on comp.lang.idl-pvwave.

Cheers,

David
