Hi all,

could somebody tell me where I can find the archives of the idl-pvwave newsgroup?

Thanks,

Vincent

Liam,

Thanks. An amazing treasure of information. I will look there before posting to the group.

I have your new book on order from Amazon. Any idea when it will ship now that July 6 has passed?

Early last week MKP told me it would be shipped from the printer to the
warehouse on July 6. Hopefully Amazon will be able to start shipping the
week of July 9.

Cheers,
Liam.
